

Full Product Line

VALVE & PUMP SPECIALTIES **INC**

Wilmington, NC

Flow Control Expertise, Servicing the Carolinas and Virginia Since 1995

Represented Product Lines

Champion Valves Inc.:

Wafer Style Check Valves: Dual Disc, Single Disc (Internal & External Spring Designs), Rubber Lined, Axial Flow, API6D Thin Pattern, and Silent Center Guided Check Valves.

US Valve:

Elastomer Hinged Low Pressure Dual Disc Check Valves, Full Port Check Valves, Medical and Industrial Ball Valves, Butterfly Valves, and OEM Custom Valve Solutions.

FLSmith / Technequip:

Slurry Knife Gate & Ball Valves for abrasive, corrosive, and course/heavy solids. Dependable service with user friendly design and minimal wear parts.

SCV Valve:

Petroleum Valve Products - API 6A & 6D Trunnion Mounted Ball Valves, Thru Conduit and Slab Gate Valves, Full Port Swing Check Valves, Piston Check Valves, Pressure Balanced Lubricated Plug Valves, Wedge & Pressure Seal Gate Valves.

Taylor Valve Technology:

Quality API & ASME Safety Relief Valves, Choke Valves, Liquid Level and Measurement Devices. Rupture Pin patented buckling pin technology provide highly accurate Pressure Relief valves, Pressure Isolation Valves, and Emergency Shutoff Valves.

Swiss Fluid:

Fully Lined (PTFE, RPTFE, and PTFE-AS) Butterfly Valves, Cylindrical Plug Valves, Diaphragm Valves, Sight Glasses, Various Sampling Valves, and Lined Pipe. Specialty liners and Disc/Stem Encapsulation; Manual & Automated Controls.

Represented Product Lines

Bray:

One, Two & Three Piece Design Ball Valves: Threaded, Socket Weld, Butt Weld, Tri-Clamp and Flanged Ends. Three-Way and Four-Way Multi-Port Valves, Micro-Pure Valves, V-Port Specialty Control Valves; Full Automation and Controls.

The Hellan Strainer Co.:

Hellan Twin Basket Self Cleaning Strainers - Manual Operation or Fully Motor Operated; Available in Iron, Bronze, Carbon Steel or Stainless Steel. Additional abilities include Hoses & Reels, Suction Diffusers, Cooling and Filtration Skids, and Specialty Fabrication.

NAMCO:

Heavy Duty Limit Switches, Industrial Limit Switches, Explosion Proof Limit Switches, Proximity Sensors, Solenoids, and Operating Levers.

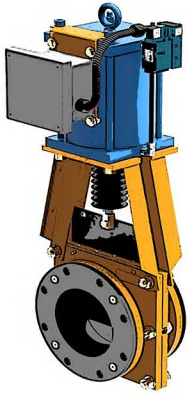

**VALVE & PUMP
SPECIALTIES INC**

Valve & Pump Specialties, Inc.:

Specialty fabricated products include Actuated Knife Gates, Piping Spool Pieces, Various Actuation Options, Brackets/Adapters, Valve Repair and Modification, and Hardware. Custom Component Machined Flanged and Gaskets.

Distributed Product Lines

Chicago Valves | Cla-Val | EVR Products | H-Tec
Ladish Valves | Mueller Pratt Industrial | Smith Valves
